

Stop Turkish Invasion! Protect Syriac Christians from Extinction from their Homeland!

2019-10-21

The war in Syria has been raging for eight years now. Hundreds of thousands have died. Millions have fled to safety. But this was not enough. Turkey has its mind set on destroying the biggest hope for a democratic, pluralistic and free Syria.

STOP TURKEY AND IT'S JIHADISTS INVASION IN DEMOCRATIC NORTHEAST SYRIA!

Arabs, Kurds, Syriacs and Yazidi's. Together we fought and defeated barbaric ISIS. Together we showed the world in the Self-Administration of NE Syria, the new democratic and inclusive Syria. Together we showed the world the future Syria but the world turned away. Instead Turkey received the green light to attack the people of NE Syria. Thos who already lost 11.000 lives in the fight against ISIS became victims of aggression.

STOP THE EXTINCTION OF SYRIACS FROM THE MIDDLE EAST! WITHOUT ORIENTAL CHRISTIANS, NO PLURALISTIC DEMOCRACY IN THE MIDDLE EAST IS POSSIBLE!

Please join the European Syriac Union in signing this petition to urge the United States and the European Union to demand from Turkey to immediately stop it's aggression and withdraw from NE Syria.

Please join the European Syriac Union and sign this petition for a democratic and pluralistic Syria and for political representation of Syriacs and other indigenous peoples in Syria. Please join the European Syriac Union and sign the petition to urge the United States, the European Union and the public opinion to protect and save Syriac Christianity in Syria.
